§ 561.201 CISADA-based sanctions on certain foreign financial institutions.

Upon a finding by the Secretary of the Treasury that a foreign financial institution knowingly engages in one or more of the activities described in paragraphs (a)(1) through (5) of this section, consistent with the Secretary of the Treasury's authorities under the

Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010 (Pub. The name of the foreign financial institution and the relevant prohibition or strict condition(s) will be added to the List of Foreign Financial Institutions Subject to Part 561 (the “Part 561 List”) on the Office of Foreign Assets Control’s Web site (www.treasury.gov/ofac) on the Iran Sanctions page and published in the FEDERAL REGISTER.

The SDN List is accessible through the following page on the Office of Foreign Assets Control’s Web site: www.treasury.gov/sdn. Additional information pertaining to the SDN List can be found in appendix A to this chapter. Agents or affiliates of Iran’s Islamic Revolutionary Guard Corps (“IRGC”) whose property and

interests in property are blocked pursuant to IEEPA are identified by a special reference to the “IRGC” at the end of their entries on the SDN List, in addition to the reference to the regulatory part of this chapter pursuant to which their property and interests in property are blocked. For example, an affiliate of the IRGC whose property and interests in property are blocked pursuant to the Weapons of Mass Destruction Proliferators Sanctions Regulations, 31 CFR part 544, will have the tag “[NPWMD] [IRGC]” at the end of its entry on the SDN List. Financial institutions whose property and interests in property are blocked pursuant to parts 544 or 594 of this chapter in connection with Iran’s proliferation of weapons of mass destruction or delivery systems for weapons of mass destruction or Iran’s support for international terrorism also are identified by the tag “[IFSR]” in addition to the tag referencing part 544 or part 594, as the case may be, located at the end of their entries on the SDN List (e.g., [NPWMD] [IFSR] or [SDGT] [IFSR]). Except as otherwise authorized pursuant to this part, a U.S. financial institution shall not open or maintain a correspondent account or payable-through account in the United States in a manner that is inconsistent with any strict condition imposed and in effect pursuant to this paragraph. Such conditions may include, but are not limited to, the following:

(c) If the Secretary of the Treasury does not impose one or more strict conditions, pursuant to paragraph (b) of this section, on the opening or maintaining of a correspondent account or a payable-through account in the United States for a foreign financial institution that the Secretary finds engages in one or more of the activities described in paragraph (a) of this section, the Secretary, consistent with CISADA, will prohibit the opening or maintaining by a U.S. financial institution of a correspondent account or a payable-through account in the United States for that foreign financial institution. Except as otherwise authorized pursuant to this part, a U.S. financial institution shall not open or maintain a correspondent account or a payable-through account in the United States for a foreign financial institution for which the opening or maintaining of such an account is prohibited pursuant to this paragraph.

NOTE TO PARAGRAPH (c) OF § 561.201: The names of foreign financial institutions for which the opening or maintaining of a correspondent account or a payable-through account in the United States is prohibited will be listed on the Part 561 List on the Office of Foreign Assets Control’s Web site (www.treasury.gov/ofac) on the Iran Sanctions page, and published in the FEDERAL REGISTER.
